life and in the future. You really have a great personality and a great sense of humor, so keep it up. You are a very special person in my school year at Canadian High School. You have been here when I needed a girl to talk to, you have helped me in basketball, and have really just been a friend. Now, When I first moved here, I thought you were a bully, but I have just by being around you this whole school year. That you just have your own image and you are proud of it. Stay the way you are and you'll still be a "bully" only kidding. You're not as bad as you used to be. Sorry so short, I'll try to out do myself next time. God Bless You! Stay sweet and ugly and you'll go far in life. Maybe someday you'll find a guy who is just right for you and you'll hit it off perfect. So don't change your image for anyone, (boys especially) because someone should like you for what you are instead of what you pretend to be. You are someone Special so remember that and you'll always accomplish what ever you set out to do. Stay sweet. God Bless You for what you are and what I am.

Love ya,

Lynn

Dale

P.S. I'm still a better basketball player!

Cat's Pride was organized in the fall of 1978 to promote a sense of pride in Canadian High School, dealing mainly with support of the athletic organizations, and to promote more interest in school activities. Cat's Pride members help High School Cheerleaders with posters and banners, attend all home athletic events, and two out of town events per season, and hold an annual appreciation dance in the spring for Canadian High School.

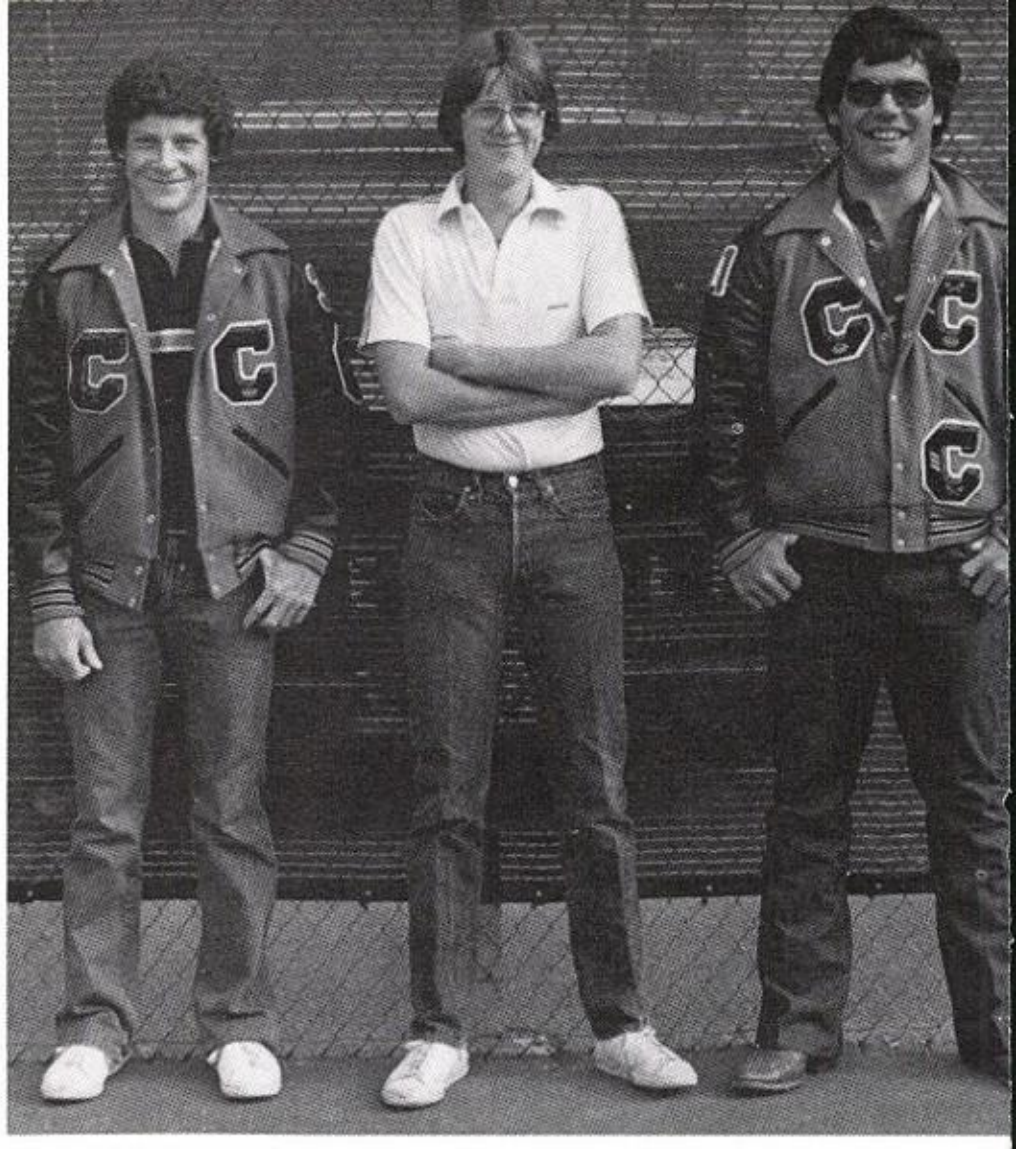
Tonya Adkins and Janae Schafer were the first place winners in the Freshman division in doubles at the district tennis meet April 6, 1979. In the first two matches they won 6-0, 6-0 both matches. The third match they won 6-1, 6-3.



Chris Dickens — singles, Bruce Waterfield and Randy Bowerman — doubles. Boy's Varsity.

The varsity boy's tennis team didn't place in district but had some really tough teams to play against. All three boys drew byes their first round and lost their second at district. At the Perryton and Canadian meets, the boys had tough luck and couldn't put it all together for a victory. At the Amarillo meet Chris Dickens made it to his third round and lost.

The varsity girls tennis team really got with it at the district meet and got first place over Spearman which even made Coach Watson smile for once. Donna Bruce and Cindy Waterfield took the first place medals and got to go to regionals. At regionals, they got to the 3rd round and lost. Deana Rogers and Darcee Albin took third place at district in doubles. Christy Rogers won third place at district in singles, and Brenda Pickens was trailing close behind but did not place in district. At the Perryton meet Deana Rogers and Darcee Albin got first place in the "B" division and Donna Bruce and Cindy Waterfield got first place in the "A" division. The other team members did not place. At the Canadian meet Donna and Cindy got first place. Everyone else was defeated. The Amarillo meet is the biggest the team travels to for the year. There are people from all over Texas to compete with. Everyone had a bad day *but* Deana Rogers and Darcee Albin who really got with it and got all the way to the semi-finals. If they WOULD have won, they would have at least taken 2nd place but were defeated by two girls from downstate who won state. Just about every team member was there to watch them play. The varsity girls had a pretty good year this year.

Membership

FUTURE HOMEMAKERS OF AMERICA is a national organization for junior high and high school home economics students. The main objective of the FHA is to help members improve personal, family, and community living. The FHA develops a national program of work every four years to guide group activities toward this objective. Local chapters are guided by these projects in scheduling activities. They arrange activities that will help members strengthen and broaden classroom instruction in such duties as child care, community improvement, consumer education, family relationships, and house hold management.

The FHA carries out its goals with programs based on local needs and interests.

Many FHA chapters work to promote good family relations. Members learn how to start family councils to discuss family problems and plans. FHA members learn how to budget and spend money wisely. Many chapters investigate job and career opportunities for home economics students.

FUTURE TEACHERS OF AMERICA is a national program for senior high school students who are interested in teaching as a career. The FTA was established in 1937 by the National Education Association. This year the Canadian chapter attended the area meeting in Canyon. Deana Rogers was elected district recording secretary. The FTA also sponsored Career Day and a Christmas Ball. The Career Day is a very big thing students and teachers from all over the top of the Panhandle attend to learn about different occupations from experts in the field.

Every year the sweetheart is entered in a F.F.A. Sweetheart Pageant. This ear Karen participated in a contest. She had to answer two questions: What F.F.A. meant to her and why you like to be an F.F.A. Sweetheart. This ageant was held at Wheeler, Texas.

Dale Schafer and Karen DeWitt, Mr. & Miss CHS

NATIONAL HONOR SOCIETY IS AN ORGANIZATION for high school boys and girls. Members are chosen on basis of scholarship, leadership, service, and character. The society is sponsored by the National Association of Secondary-School Principals, which founded it in 1921. In 1929 the National Junior Honor Society was founded for boys and girls in junior high schools. The National Honor Society initiates third-quarter Sophomores and Juniors and Seniors who have maintained an average of 90 for two consecutive quarters and have no grade below an 80. One of their projects each year is sponsoring the Mr. and Miss Canadian High School contest. Faculty members nominate students for consideration. The five boys and girls receiving the most nominations are then voted upon by the student body.

Karen DeWitt and Dale Schafer are the 1979 choices. Both have been very active in various activities in and out of school. Karen led cheers as Dale played football and basketball all four years. Dale served as Student Council member and Student Body President. Karen debated three years, advancing to State in 1978. Dale was also in UIL in Slide Rule and Number Sense. Karen was in choir, drama club and various other activities of school. We think Karen and Dale are very good representatives of our school and we are proud of them.

NATIONAL HONOR SOCIETY

e Schafer, Mark Mcmorrough, Steve Wafford, Doris Eubanks, Tracy Wilson, Roxanne Walker, Nancy Rader, Tina Buckley, Sherri Davis, Kellie Charnson, Melinda Mathers, Kim Morrow, Sandy Howe, Robin Mitchell, Mary Pickens, and Dana Bell, were all members at the beginning of the year.

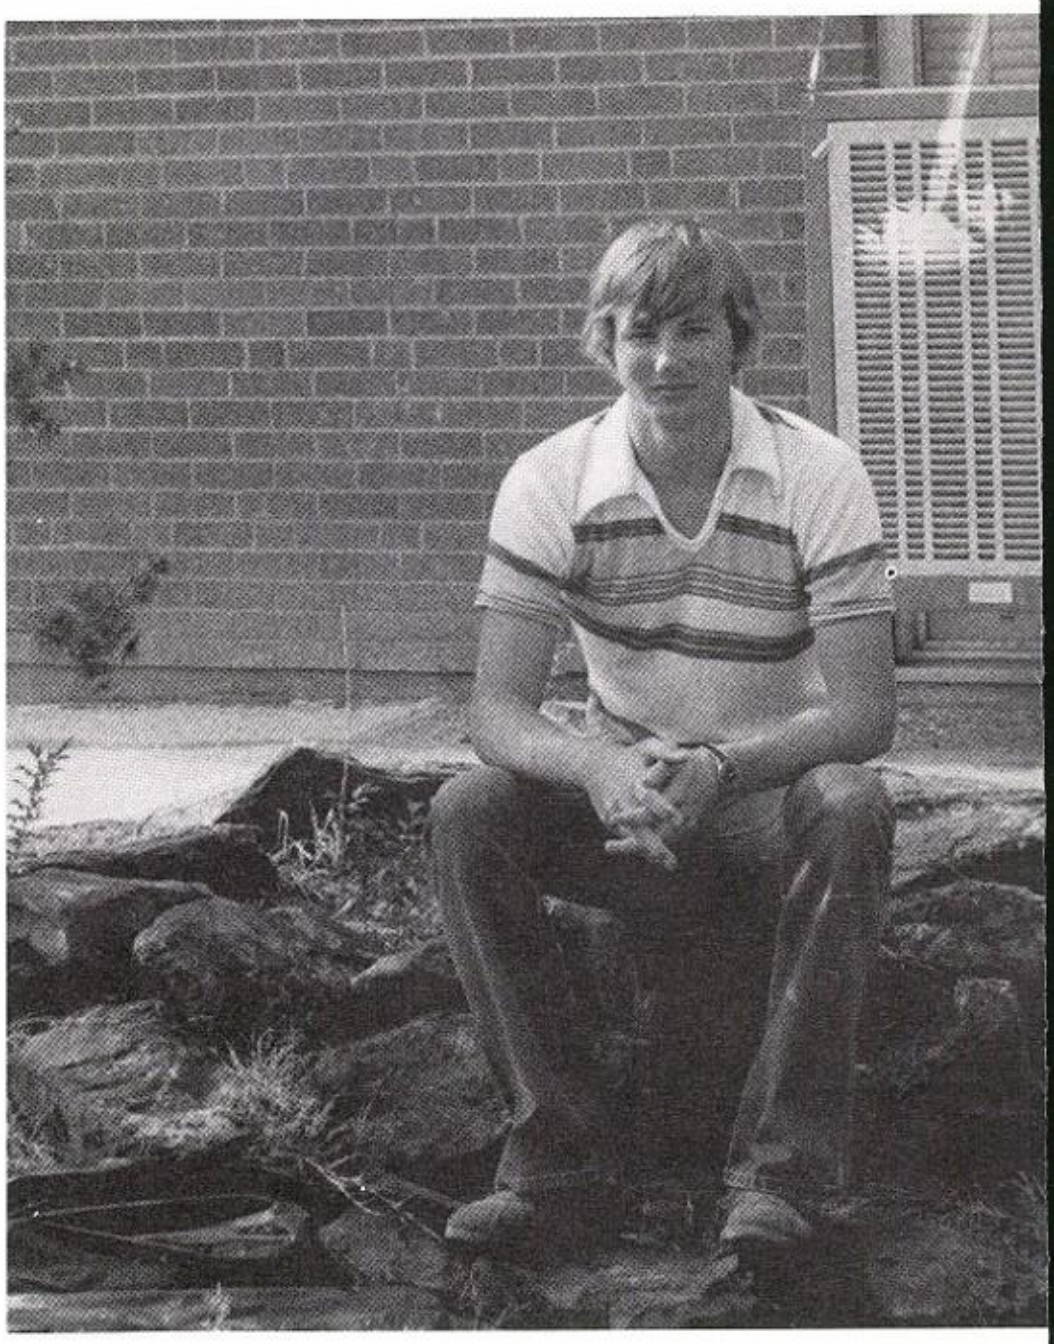
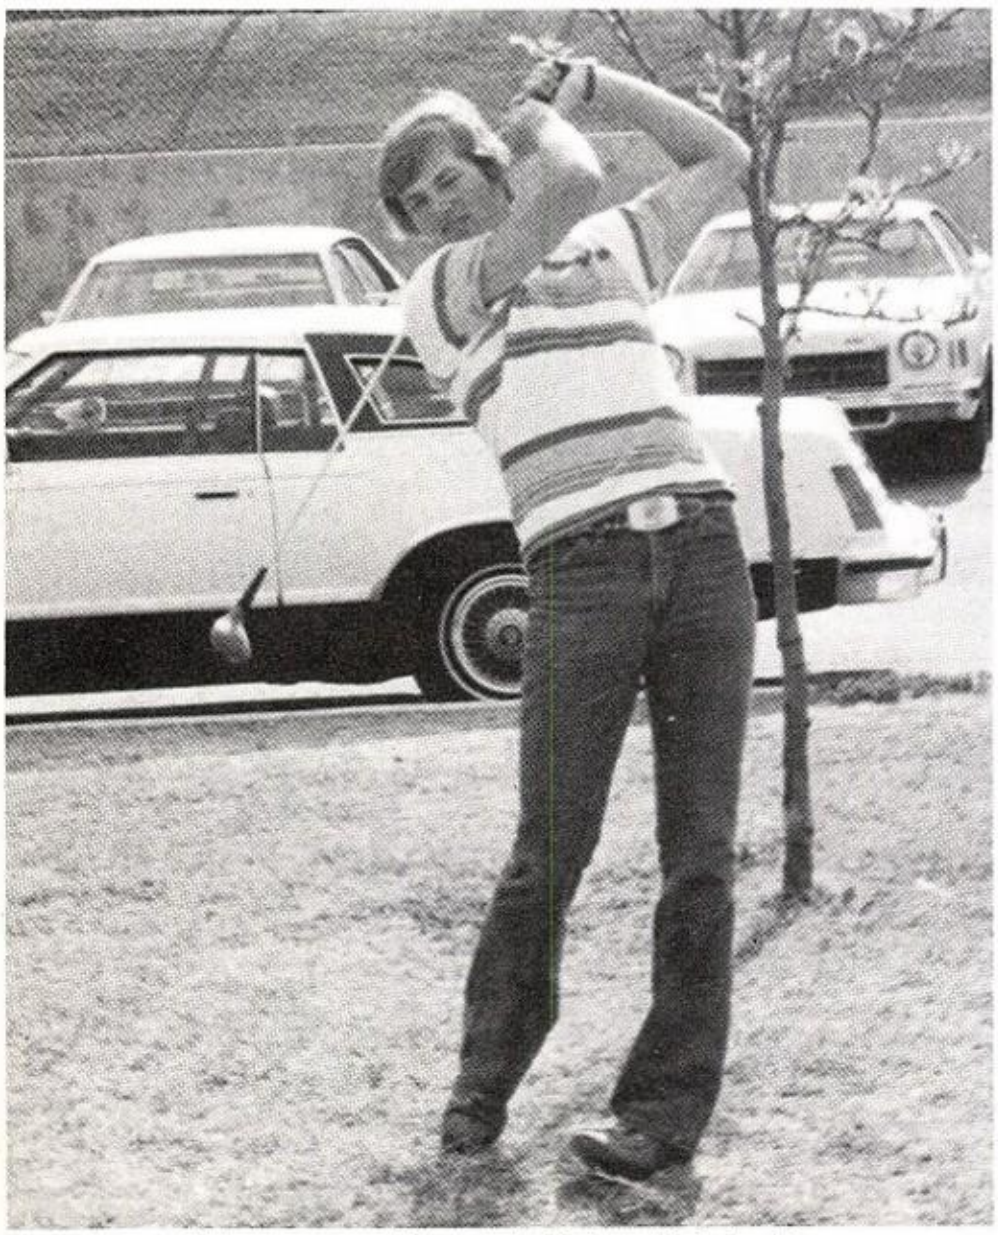
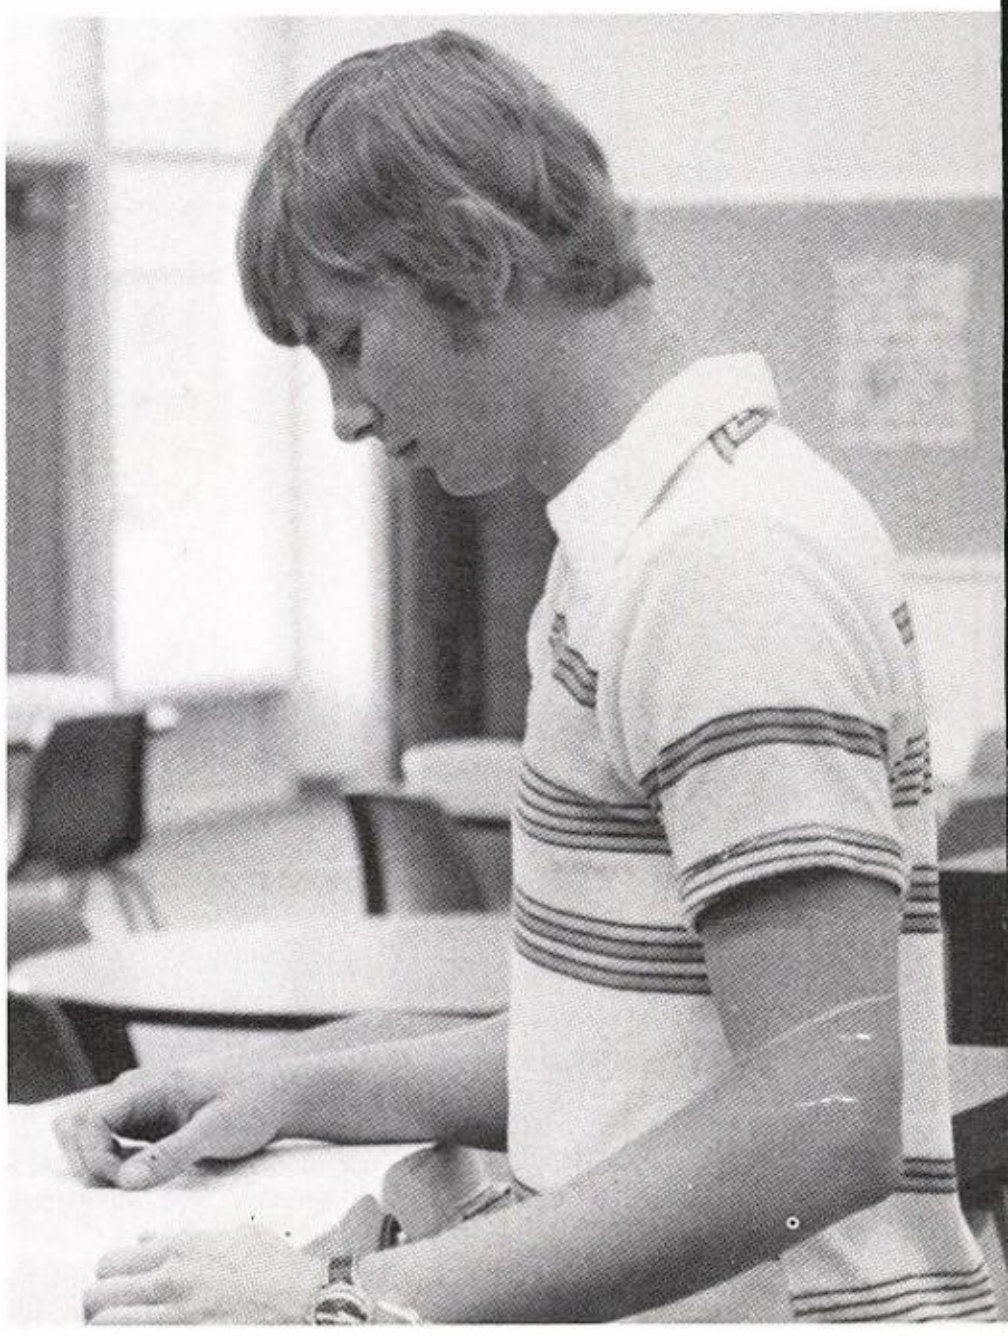
Dale Schafer was the Valedictorian for the 78-79 school year. He had a grade point average of 96.26.4. He participated in all sports. He was also in U.I.L. competition, was a member of the student council, student body president his senior year. He also was the winner of the Liske Cup. These are just a few of the things he accomplished when he was a senior.



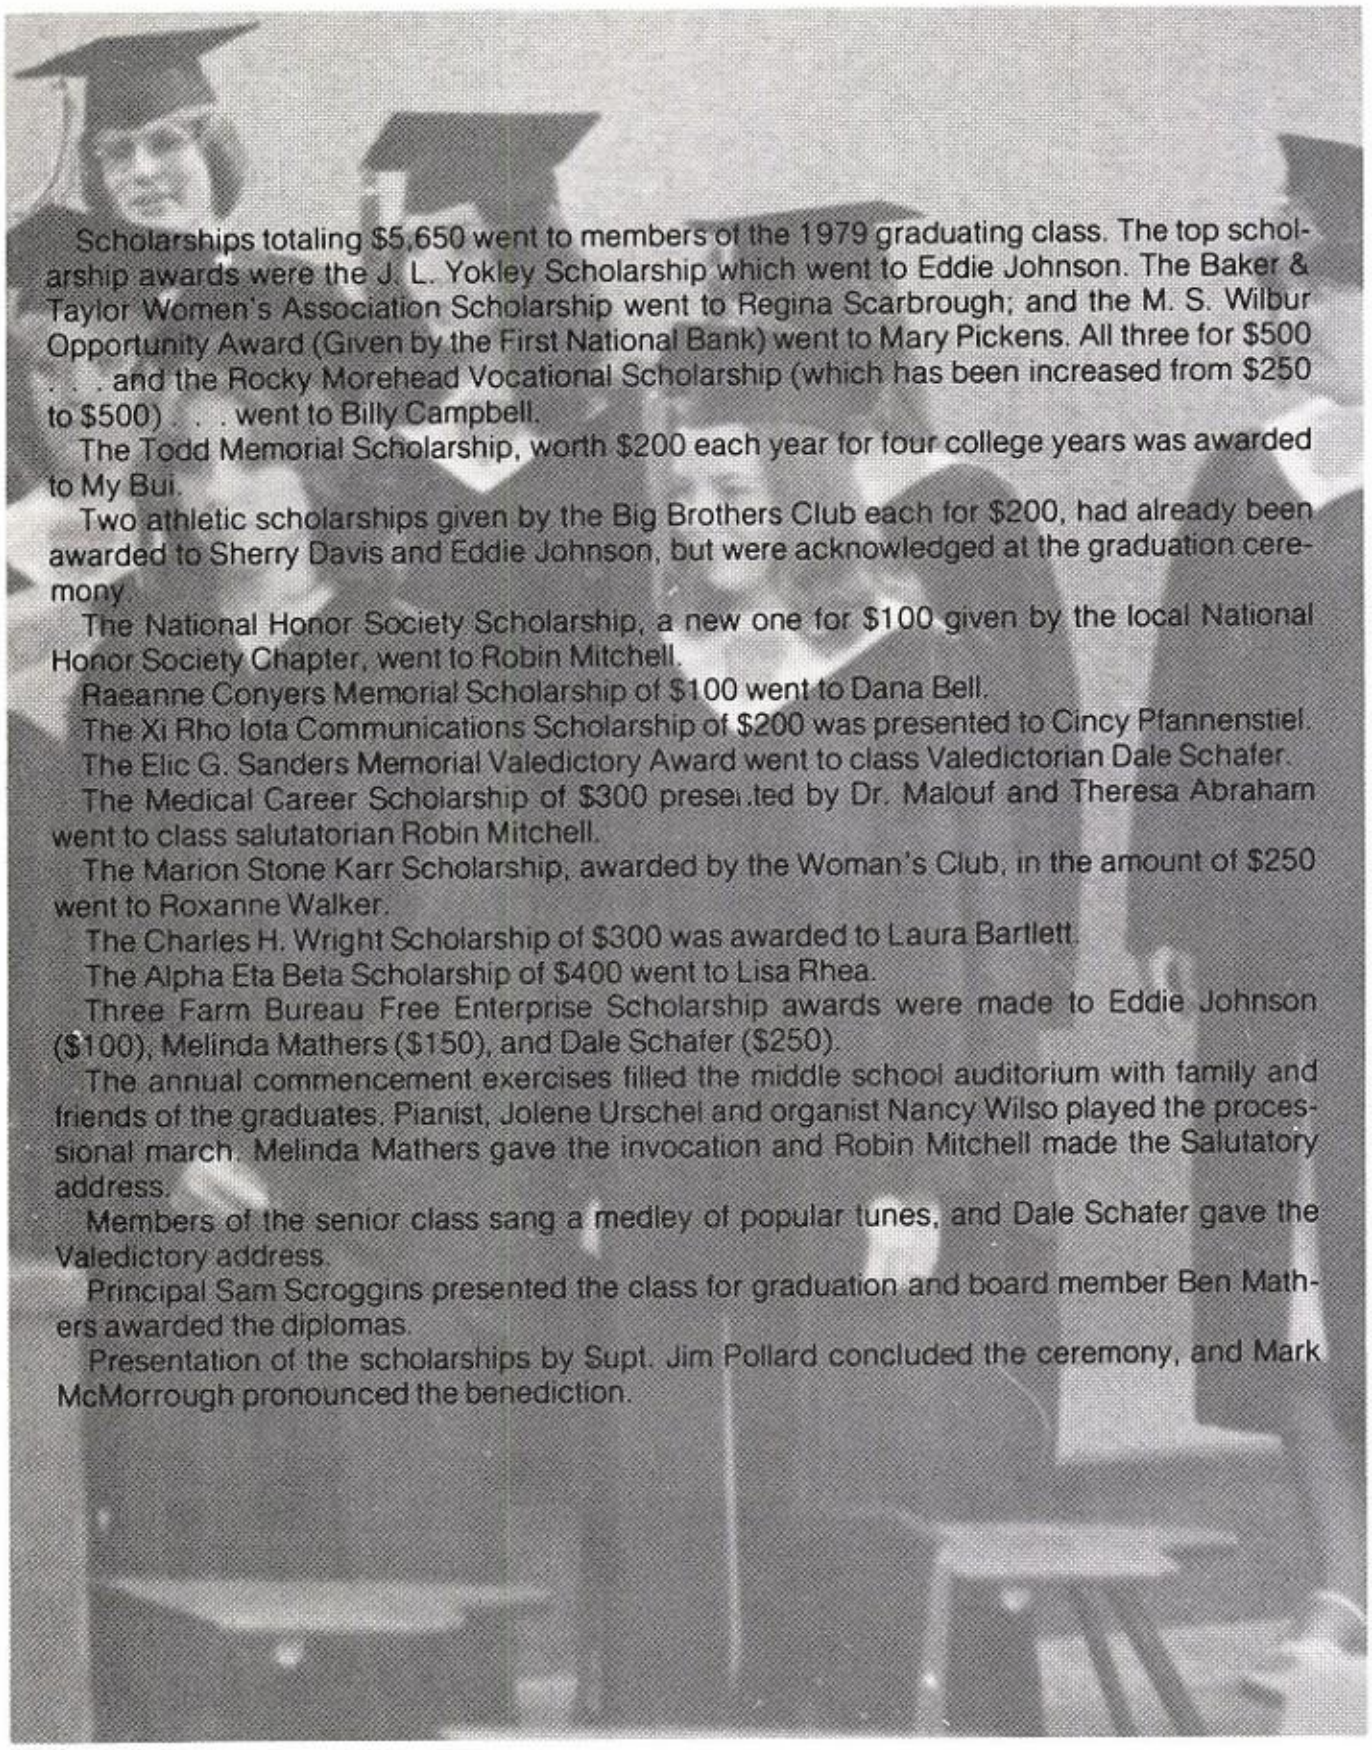


This was one of the events Dale participated in.



As you know, he also spent a lot of time in the library studying although h was probably just looking a word up instead of studying.

Robin Mitchell was the 1978-79 Salutatorian. She had a grade point average of 94.76. Robin had a very successful four years of high school. She was in the Honor Society for three years, was President of the Honor Society her Senior Year, participated in U.I.L. competition for four years. She was also in Drama Club, Journalism, and Student Council.



Scholarships totaling $5,650 went to members of the 1979 graduating class. The top scholarship awards were the J. L. Yokley Scholarship which went to Eddie Johnson. The Baker & Taylor Women's Association Scholarship went to Regina Scarbrough; and the M. S. Wilbur Opportunity Award (Given by the First National Bank) went to Mary Pickens. All three for $500 . . . and the Rocky Morehead Vocational Scholarship (which has been increased from $250 to $500) . . . went to Billy Campbell.

The Todd Memorial Scholarship, worth $200 each year for four college years was awarded to My Bui.

Two athletic scholarships given by the Big Brothers Club each for $200, had already been awarded to Sherry Davis and Eddie Johnson, but were acknowledged at the graduation ceremony.

The National Honor Society Scholarship, a new one for $100 given by the local National Honor Society Chapter, went to Robin Mitchell.

Raeanne Conyers Memorial Scholarship of $100 went to Dana Bell.

The Xi Rho Iota Communications Scholarship of $200 was presented to Cincy Pfannenstiel.

The Elic G. Sanders Memorial Valedictory Award went to class Valedictorian Dale Schafer.

The Medical Career Scholarship of $300 presented by Dr. Malouf and Theresa Abraham went to class salutatorian Robin Mitchell.

The Marion Stone Karr Scholarship, awarded by the Woman's Club, in the amount of $250 went to Roxanne Walker.

The Charles H. Wright Scholarship of $300 was awarded to Laura Bartlett.

The Alpha Eta Beta Scholarship of $400 went to Lisa Rhea.

Three Farm Bureau Free Enterprise Scholarship awards were made to Eddie Johnson ($100), Melinda Mathers ($150), and Dale Schafer ($250).

The annual commencement exercises filled the middle school auditorium with family and friends of the graduates. Pianist, Jolene Urschel and organist Nancy Wilso played the processional march. Melinda Mathers gave the invocation and Robin Mitchell made the Salutatory address.

Members of the senior class sang a medley of popular tunes, and Dale Schafer gave the Valedictory address.

Principal Sam Scroggins presented the class for graduation and board member Ben Mathers awarded the diplomas.

Presentation of the scholarships by Supt. Jim Pollard concluded the ceremony, and Mark McMorrough pronounced the benediction.

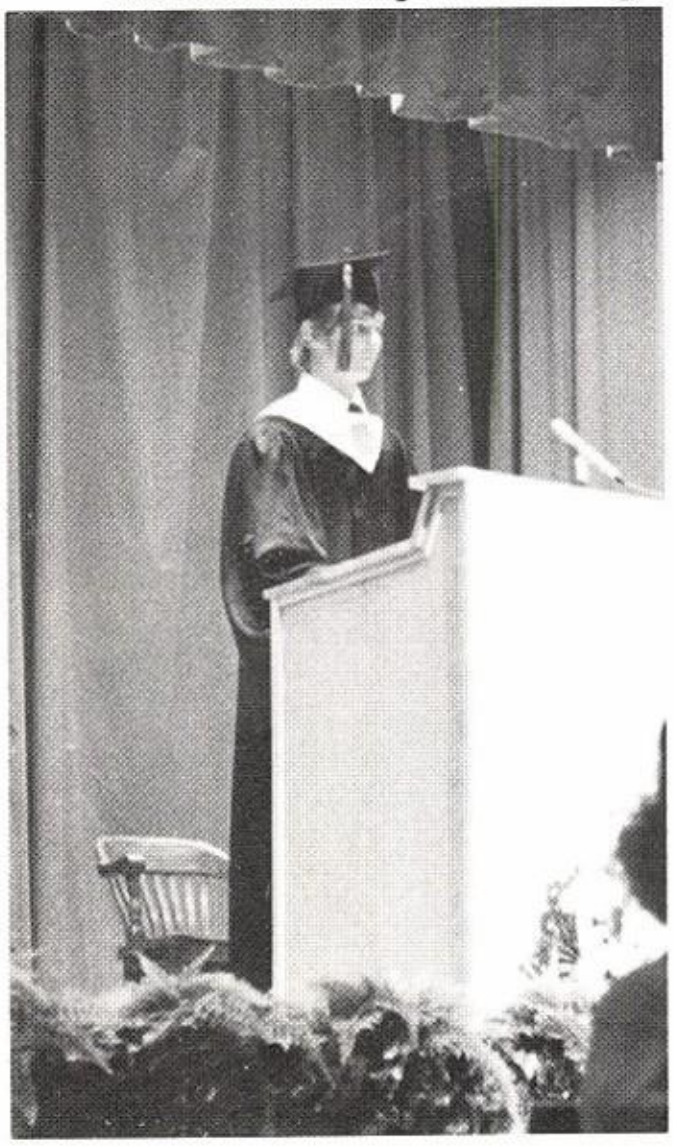
Dale Schafer receiving this outstanding, honorable award.

Dale Schafer walking away with the great cup.



The Liske Cup is an annual award given to an outstanding senior. The winner this year in everything he possibly could and just about did everything but be a cheerleader. Dale Schafer took the honor for the 78-79 year. He has won a numerous amount of "C" Awards, was student body president, student council member, football and basketball and golf, U.I.L., and many other events.

These are the three Liske Cups we've had since we started this tradition.

To a nice girl
that I have always
liked for a friend and
sometimes more, I have enjoyed
knowing you. Most of the time.
I have heard that you are super
in basetball. Remember you have alot of friends
and we are pulling for you; keep working and you
well do great this year, I just wanted to tell you the
reason you are doing so well is because I care over and you
are a great person & city; please keep it, dont
be to play. Never you have a great personality
et anyone change you; Stay

Nena,

You seem to be a really special person to all your classmates. I really admire someone like you. You've got a whole lot going for ya. You're a terrific athlete - never give up and always give 110%. I hope I can be the type of Senior that sets a good example for you to follow. As a Senior the only advice I will give you now is to make the very very best of all the years you have left in CHS because the end sneaks up on ya really fast. Don't waste one minute. If you ever need someone to talk to or any advice from someone a little bit older, feel free to come to me - I can be a really good listener. I wish you the best of luck in all you do - you shouldn't have any trouble accomplishing your goals because your attitude won't let you be anything less than #1! Keep up the good work. Hook it up in B.B. and go get 'em. May God bless ya everyday in a sweeter way!

Nena, I would love you as a friend and I would like you to write me back. I'm not sure what you are looking for in a friend but I'm sure I can be that. I'm not perfect but I'm sincere and I'm not afraid to show it. I'm also a senior and I'm looking forward to graduating. I'm not sure what I want to do after high school but I'm sure I'll figure it out. I'm also a senior and I'm looking forward to graduating.
